

Proudly Presents:

Universal Design Strategies: Developing Environments for the Lifespan!

**Thursday, June 14, 2018
11:00 am - 1:00 pm**

ATI Community Room

**** A light lunch will be provided. ****

Featuring:

**Esther Greenhouse, Built Environment Strategist
Lecturer, Cornell University, www.esthergreenhouse.com**

**David Dodge, Independent Living Specialist
Independent Living of the Genesee Region**

Aging in place is the ability to live in the residence of your choice as you age. Aging in place is easier if homes, products and environments use universal design concepts. Universal design means that environments are accessible and livable for older people, people without disabilities, and people with disabilities. Join us to learn more about how to incorporate universal design in your future projects and create homes that are tailored to fit everyone!

**Please RSVP by June 12, 2018.
Call (607) 753-7363.**

Accommodations available upon request.

26 North Main Street, Cortland, NY
